Industry Recognition

What Others are Saying

Cameron Saylor: Recognized in Chambers UK as Up and Coming in Structured Finance and Derivatives. "Understands our business risks," and "he's very good at translating those into our documentation," says an impressed client. He has a growing practice in the world of CLOs and risk retention.

— **Chambers UK 2019 & 2018**

On CLOs, Paul Hastings provides 'a very high level of service with deep industry knowledge, the capacity to involve foreign partners when needed, good advice on commercial terms, and regular regulatory updates'

— **Legal 500 UK 2018**

Diala Minott, who is 'quick to react and has deep knowledge of the regulatory framework and know how on the various ways to structure a deal', **Cameron Saylor** and **Michael Smith** are the key practitioners in that area, though they also have broader skill sets.

— **Legal 500 UK 2018**

Christian Parker - Highly Commended
— **FT Innovative Lawyers Report**

"Paul Hastings is one of the leading law firms in the CLO market."

Scott Faga: recognised in Chambers USA in Band 2 Nationwide Capital Markets: Securitization. He garners extremely high praise from clients and peers alike, with one source going so far as to name him "as good a lawyer as I have ever run into," and add: "I can't speak highly enough of his technical acumen and client service - he is frankly just spectacular."

Eugene Ferrer: recognised in Chambers USA Nationwide Capital Markets: Securitization. A "top-class thought leader and deal executor."

Nicole Skalla: recognised in Chambers USA as Up and Coming in Nationwide Capital Markets: Securitization. One client says she is "organized, efficient, responsive and can handle pretty much anything."
