

Our Real Estate Funds Practice

Overview

Paul Hastings has risen to become one of the leading fund formation practices in Europe, acting on around 30 successful European fundraisings over the last two years, raising in aggregate over €20 billion of capital. Our expertise covers a variety of investment categories including: real estate, private equity, infrastructure, energy, buyout, venture capital, distressed debt, agriculture, fund of funds, and other alternative investment strategies. In addition to our core funds team specialising in real estate fund formation, the Paul Hastings real estate transactions team offers deep, market-specific knowledge and hands-on transactional experience of one of the largest and most sophisticated real estate practices of any international law firm.

We have a truly integrated team and work hand-in-hand with our pre-eminent US real estate funds practice in New York. We also advise a range of leading European and Asian fund sponsors and investors through our network of offices in Europe and Asia. We have a "hands on" approach to client mandates and will ensure that you receive a personal and professional service at all times.
