Partner, Litigation Department

hiroyukihagiwara@paulhastings.com

**Hiroyuki Hagiwara** is a partner in the Litigation Department and based in the firm's Tokyo office. Mr. Hagiwara offers more than 20 years of experience in cross-border litigations and transactions. Patent infringement litigations, licensing transactions and disputes, arbitrations and investigations are the main focus of his practice. In patent disputes, Mr. Hagiwara has handled wide-ranging subject matters from electronics, software, chemical, pharmaceutical, biologics, semiconductor, telecommunication to automotive. Mr. Hagiwara has represented clients in US DOJ investigations, international arbitrations and mediations, US Federal Court actions, ITC Section 337 investigations, US PTAB proceedings. He has represented US, European, Asian and Japanese clients in various legal matters.

Clients and independent sources have singled him out as one of the very best in the market to navigate the complex cross-border dispute landscape. One client describes Mr. Hagiwara as a "very smart and very aggressive" practitioner who is "very good and prominent in US patent litigation" (*Chambers Global* 2018). Another client adds: "He is a top litigator who understands what Japanese customers want and works very closely with them" (*Chambers Global* 2018). *IAM Patent 1000* says, "he oversees proactive enforcement and commercialisation strategies and executes them wherever required" (*IAM Patent 1000: 2018*). Another source calls Mr. Hagiwara a "Dispute Resolution Star" (*Benchmark Litigation Asia Pacific* 2019). He was also named Cross-Border Disputes Lawyer of the Year in Japan by *Global Law Experts* (2019). Mr. Hagiwara's case and matter list is available upon request.
