

Nicholas J Guidi

Associate, Corporate Department
nicholasguidi@paulhastings.com

Nicholas J. Guidi is an associate in the Corporate practice of Paul Hastings and is based in the firm's Washington, D.C. office. Mr. Guidi is a member of the Energy practice, where he provides counsel on a broad range of energy regulatory and transactional matters.

Before joining Paul Hastings, Mr. Guidi was an Attorney-Adviser in the Federal Energy Regulatory Commission's (FERC) Office of the General Counsel, Energy Markets division. Prior to that, Mr. Guidi was an Attorney-Adviser at FERC's Office of Administrative Law Judges and Dispute Resolution. At FERC, he specialized in numerous topics, including matters involving wholesale electricity markets, regional transmission organization markets, cost-of-service, return on equity, interconnection, distributed energy resources, electric storage resources, and filings made pursuant to sections 205, 206, and 219 of the Federal Power Act.

Mr. Guidi received his J.D., *cum laude*, from William & Mary Law School in 2015, where he served on the editorial staff of the *William & Mary Environmental Law and Policy Review*. He received his B.A. in History and English, *magna cum laude*, from Boston College.

Admitted only in Massachusetts. Application for admission filed in the District of Columbia. Practice supervised by members of the District of Columbia Bar.
